## UNPAID MEAL POLICY

Dear Parent/Guardian:

Wapanucka School has amended the Child Nutrition Charge Policy. Each student will only be allowed to charge up to \$40.00 at any period of time. When the student's account has reached the limit of charges, the student will be given an alternate meal until the student's account reduces the balance to less than \$40.00. The alternate meal will consist of a sandwich, chips and milk for lunch and milk and cereal for breakfast. Payment of student's meals can be delivered to Lisa Foster, Child Nutrition Coordinator, in the superintendent's office. Payments can be made by mail, in person or sent with students. This policy will go into effect July 1, 2017.

Please refer all questions to Lisa Foster, Child Nutrition Coordinator at 580-937-4288 or [lfoster@wpss.k12.ok.us](mailto:lfoster@wpss.k12.ok.us)

Respectfully,

Dave Walters  
Asst. Superintendent
